

DESIGNATION: Library, south end of Room 8, Office and Laboratory Building,
Deciduous Fruit Investigations,
U. S. Pecan Field Station, Brownwood, Texas.

USE: Desk space is provided for Jean C. Rue for work on experimental notes. Experimental data and photographs are stored in fire-proof files, which form a partition along north end of room.

Mrs. Rue is shown in photograph.

Photographed July 23, 1940.
